Social Responsibility...Part of Who We Are

In 2005, Destination XL Group Inc. joined St. Jude Children's Research Hospital in its fight to save children's lives. St. Jude is leading the way in which the world understands, treats and defeats childhood cancer and other life-threatening diseases. Because the majority of St. Jude's funding comes from individual contributions, such as employee and customer donations, St. Jude is able to focus on what matters most - saving kids regardless of their financial situation.

DXL Group remains committed to supporting St. Jude through its various fundraising efforts. These efforts include supporting St. Jude's Thanks and Giving campaigns; participating in the annual St. Jude Walk/Run to End Childhood Cancer; and sponsoring employee giving campaigns and numerous corporate events that have generated more than \$8 million in support of the patients and families of St. Jude. It is through these various efforts that St. Jude is able to ensure that no family ever receives a bill from St. Jude for treatment, travel, housing or food - because all a family should have to worry about is helping their child live.
