

DXL MEN'S APPAREL ASKS YOU TO MEET THEM IN ST. LOUIS

One-Stop Shop Brings Quality Clothing to Men Who Wear XL Sizes in a Second St. Louis, MO Location

Canton, MA (6/12/17) – Destination XL Group, Inc. (Nasdaq: DXLG), the leading retailer of men's XL apparel, has opened a second DXL Men's Apparel store in St. Louis, MO. The new DXL Men's Apparel store can call the city that hosted the famous 1904 World's Fair its home. Located at the South County Center on 77 South County Center Way, the DXL Men's Apparel store is a one-stop shop that caters to the clothing needs and lifestyles of men who wear waist size 38+ and size XL and up, including tall sizes, plus shoes in extended sizes and widths.

DXL Men's Apparel stores have everything available under one roof to make guys look and feel great. No longer do guys who typically wear XL sizes have to shop at large department stores that carry a limited selection of styles in their sizes.

"We know that guys who typically wear XL sizes have a hard time finding high-quality clothing and styles that look great, and we're committed to providing them with a superior solution," said David Levin, President and Chief Executive Officer of Destination XL Group, Inc. "DXL Men's Apparel stores offer the perfect combination of quality, selection and service in one convenient location, making shopping easy and enjoyable so all men can look and feel their best, regardless of size."

Unique in design, DXL Men's Apparel stores have a more spacious environment, which provides an easy shopping experience. They are truly built with guys in mind. What sets DXL Men's Apparel stores apart from the rest is not only the visual appeal of the stores, but the world-class service as well. This service even includes on-site tailoring to ensure a perfect fit every time.

The St. Louis DXL Men's Apparel store features private label brands including Harbor Bay, True Nation, Oak Hill and Synrgy. Styles from over 100 top brands add to the product assortment, including Polo Ralph Lauren, Michael Kors, Nautica and Lucky Brand Jeans, as well as brands exclusive to DXL Men's Apparel in XL sizes; these include active clothing giants, Reebok and Adidas, which are fitting, as St. Louis was the first non-European city to host the Summer Olympics, back in 1904. The St. Louis DXL Men's Apparel store offers must-have essentials at everyday values, plus current looks for every aspect of a guy's lifestyle.

The DXL Men's Apparel store's one-of-a-kind shopping experience carries through to destinationxl.com, where customers can access an even greater selection directly from the website. They can also verify if an item is in stock at the St. Louis store or any local DXL Men's Apparel store, and can even choose to have online purchases shipped directly to a local DXL Men's Apparel store at no charge.

Comment [RM1]: Really, St. Louis hosted the Summer Olympics and the World's Fair in 1904? Maybe they combined the events.
